Dear Parents of Grade 6 Students,

Greetings from Kristu Jayanti CMI Public School.

We wanted to update you regarding the NCERT books that were ordered for your children. Unfortunately, due to printing delays, the books will take an additional two months to be delivered.

We understand that this timing is challenging, especially since exams are currently ongoing. Providing Xerox copies in the interim has proven to be difficult. However, we have identified private publisher books, such as Macmillan, that contain the same content as the NCERT books. While these books are readily available, they do come at an additional cost of Rs.1300.

We are reaching out to seek your opinion on how we should proceed. Would you prefer to purchase the private books now to ensure your child has the necessary materials for their studies, or would you prefer to wait for the NCERT books to arrive?

If the majority of parents are in favor of the private Macmillan books, we will proceed with ordering them. Please note that the extra amount will need to be paid at the school office, and students can obtain their copies promptly.

Your prompt feedback on this matter would be greatly appreciated. Kindly indicate your preference by Monday 1<sup>st</sup> July to the respective class teachers, so that we can finalize the arrangements accordingly.

Thank you for your understanding and cooperation during this time.

Warm regards,

Janeetta Silvester

**Subject: Important Information Regarding Student Transportation**

Dear Parents,

Greetings from Kristu Jayanti CMI Public School.

This letter is to address the recent increase in students arriving at school on motorcycles. While we understand the desire for independence, the safety of our students is our top priority.

Please be aware that operating a motorcycle on the school premises and keeping the vehicle near the shops are strictly prohibited for the students. In India, no person shall drive a motor vehicle in any public place unless he holds an effective driving license issued to him by the Licensing Authority, authorizing him to drive the vehicle. Operating a motorcycle by an underage (age below 18 years) person is a violation of the law and could result in fines or other penalties for both the student and the supervising adult who allowed them to ride.

The school cannot assume responsibility for any accidents or injuries that may occur involving student-operated motorcycles on the way to or from school, or within school premises. We encourage you to discuss safe and legal alternative transportation options with your child like public transportation, carpooling with other students, and parental drop-off and pick-up.

We appreciate your cooperation in ensuring the safety of all students. If you have any questions or require further clarification, please do not hesitate to contact the school administration office.

### Principal's Letter 5/24

Dear Parents,

Greetings and blessings!

Kindly note the following:

The admissions to the next academic year 2024-25 have been commenced. We have admissions from Mon 1 to Grade 9.

As per the government instructions the students have to fulfill the age criteria.

**Mon.1 – 3 age (as of 31<sup>st</sup> May 2014). Mon 2 ( 4 yrs.) Mon 3 (5 yrs.) and Grade 1 (6yrs).**

We need to get maximum admission this academic year. I wholeheartedly seek your cooperation and goodwill in finding out the best and the eligible students for our school. Each parent has to work for at least 2 students for the new academic year.

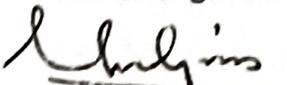

We are planning the following programme for the publicity and campaign of the school and the admission drive.

1. We have an Educational Expo to be held at Nelamangala on 20<sup>th</sup> and 21<sup>st</sup> January. Inform all the nearby parents to attend the expo and visit our KRISTU JAYANTI CMI PUBLIC SCHOOL Stall.
2. Distributing the calendars and the pamphlets to the nearby houses of your villages. The drivers have already started the distribution of the calendars.
3. Tele-mode enquiry and instruction from the school will be done by the teachers. They will call the parents from each village and share their plans and prospectuses regarding the admission.
4. We will be sending video posters to you from 8<sup>th</sup> Monday onwards. Parents are requested to circulate the message through various social media like putting it on the status, and uploading the posters on YouTube Reel, Instagram, and Facebook. If you have any business firms try to upload the same on the respective social media accounts.

Dear parents let us work together for the growth and development of Kristu Jayanti CMI Public School. Together we can make wonders. Let our students get quality. Sustainable, and inclusive education.

Hoping for the best

Yours loving

  
Principal
